## Thank You!

Your purchase of this memory device benefits the web site by permitting an extra small source of income for the Executive Director and his family. Purchases such as yours allow us to spend more time on the web site and associated maintenance tasks.

Though we do our level-best ensure that all documents are successfully transferred to each flash drive, on occasion, a file may be incomplete, corrupt or missing. (We only check the file counts vice opening each and every file due to time constraints) In the event that a file listed in the index below is missing or corrupt, simply email us at [office@ruralsurvival.info](mailto:office@ruralsurvival.info) and we will, at our sole discretion, make it right by replacing or repairing your device or simply emailing the missing or corrupt file.
